Summary of the IQAC Activities During session 2021-2022

SL. NO.	Activities	Remark
1.	Meeting with different sub-committees regarding their observations and proposals	Observations of each sub-committee were scrutinized and their proposal was taken into account.
2.	Four meetings of IQAC with its own members for plan of action and action taken by the college authority	Four meetings were conducted where after careful discussion on the proposal of sub-committees plan of action were taken into consideration. Also status of previous actions by the college authority was analyzed.
3.	Meeting with academic sub-committee and TIC regarding conduction of classes through blended mode (online and offline)	During the first half of the session blended mode was active in taking classes and examination. IQAC took initiatives for sanitization of the entire college campus and class rooms. All the practical class rooms were sanitized and instruments were properly activated by the respective experts, classes of GE and DSC papers were conducted through online modes. New instruments were purchased. During the last period of the session fully on-campus activities.
4.	Inspection of progression of construction and renovation works	Renovation of chemistry and nutrition laboratories was completed. Principal's chamber, office room, exam-cell, IQAC room were decorated after renovation. Construction of Toilet rooms for principal's chamber and office room was completed.
5.	Proposal for new construction and extension of infrastructural facilities of the college.	Initiatives was taken by the college authority for construction of extension building to the library building and extension of gymnasium building, soil testing and plan estimations for the both was completed. Guard wall was constructed for the bank of the college pond. New approach path ways were constructed in the campus .
