  - i) Mr. Rabin Chandra Mondal
  - j) Mr. Chittaranjan Ghorai
  - k) Dr. Aninda Kishor Bhaumik
  - I) Prof. Kali Pada Maity
  - m) Dr. Binoy Chanda
  - n) Mr. Sankar Pradhan
- 3. The meeting was convened by Prof. Rabin Das, Coordinator of IQAC
- The following points were discussed at length at the meeting: 4.
  - 4.1 CBCS system in the Science (Hon.) subjects is introduced by the affiliating university in UG level. It is found that vast modifications have been done in the syllabus of all the subjects. Many new topics have been included. Many new practical experiments have been included. Therefore it is necessary to arrange a meeting of the HODs of all science departments to prepare a plan such that college would be able to provide the teaching facilities according to the new system.
  - 4.2 Discussion about the required laboratory, library and other infrastructure and facilities for newly introduced CBCS curriculum was done. Proposal regarding the matter was made to take the initiatives for this from the table of GB or relevant authority.
  - 4.3 It is found that class duration of old system and that of the new system are different while both the system will be running in the proceeding sessions. So proper care and cautions must be taken in case of routine preparation. So TIC is requested to arrange a meeting of routine subcommittee.

Bajkul Milani Mahavidvalava
