West Bengal, India-721655

The Bajkul Milani Mhaavidyalaya was established on 3rd September 1964 as a Government sponsored College under the Calcutta University. It has come under the preview of the Vidyasagar University with effect from 1985. Its birth initially owes to the sacrifice of the local people in the form of financial assistance and landed property. Many educationists and patricians with lofty ideas extended their helping hands in its formative stage. It was a cherished dream of late freedom fighter and the-then Minister Smt. Abha Maity.

The site of the College has a charming view in the background of a luxuriant landscape of nature. It is situated by the side of the Kolkata-Digha highway (NH-116B Nandakumar-Digha highway), and Digha -Tamluk-Panskura-Mecheda-Howrah and Digha -Tamluk-Panskura-Kharagpur (S.E) railway has passed away embracing the College campus.

From a humble beginning, the College has been flourished remarkably and has been serving the cause of education with a fair measure of distinction during the last 59 years. Where the College have been started with 20 students with 08 general subjects in 1964 now it has been increased in nearly 252 fold i.e. 4200 students with 23 U.G. subjects and 01 major subjects and also 5-P.G. subjects. Among these our College offers honours course in 18 subjects and general course in 23 subject along with 01 major Automobile Maintenance (3-yrs.) at under graduate level and Sanskrit, Geography, Philosophy, History and Bengali P.G. Our students gladly participated (November-2016) in the 75th year of Great Escape of Netaji Subhas Chandra Bose. They stood first in the English Essay Writing and Photograph drawing on Subhas Chandra Bose in the district level.

Beside the above, the college can boast of 33-qualified permanent full time teachers, 99-State Aided College Teacher, 7- Guest teachers and 71-Guest teachers and also many number of highly experienced and qualified eminent visiting faculties, 56-non-teaching staff and about five thousand students along with three NSS unit, NCC, Indoor and Outdoor sports facilities with big play ground and big pond for swimming and also beautiful garden, Women's hostel and teachers' dormitory, larger central library with over 30,000 books, dept. seminar library and also student motivated memorial prizes and five P.G. Such change would be guided by the prescribed rule of Vidyasagar University. For Non-traditional Subjects (Automobile Maintenance) Students are not allowed to change their general subjects once admitted.

Students Attendance Rules:

It is obligatory on the part of the students to attend classes regularly and punctually. Willful absence from the class-room lecture will be treated as a serious infringement of college discipline. Library Facility (Central & Departmental):

Bajkul Milani Mahavidyalaya can boast of an enriched partially computerized library in the district of Purba Medinipur. Perhaps it is one of the biggest and richest college libraries with about 30 thousand books under the Vidyasagar University. It was located on the second floor of the U.G.C building with sufficient airy and lighted space. The reading room is attached to the library. It houses up to-date books and periodicals on various subjects. On the technical side great improvements have been made in various spheres of library activities besides adoption of relatively scientific methods of cataloguing, indexing and classification. Recently a plan has been devised for the upgradation and expansion of library facilities through a computer system.

Departmental Libraries

Without the Central Library Facility, students can avail the facilities from departmental libraries. The Departments of Geography, Sanskrit, Mathematics, Physics, Chemistry, Zoology, Botany, Physiology, English, Bengali, Philosophy, Political Science, History, etc provide the own departmental library facilities and services and they have ample scope of reading the books preserved in the Book Bank sponsored by the U.G.C. Moreover there are certain invaluable and rare books in reference section.
