ICT Course Completion Report

The "PowerPoint Preparation and Presentation" workshop, organized by the Department of Automobile Maintenance in collaboration with Madhabdip Education Society, was held at Bajkul Milani Mahavidyalaya from December 21, 2022, to December 23, 2022. The workshop aimed to enhance the ICT (Information and Communication Technology) skills of the enrolled students, empowering them to create and deliver effective PowerPoint presentations.

Title: PowerPoint Preparation and Presentation

Institution : Bajkul Milani Mahavidyalaya

Dates: 21th December, 2022, to 23th December, 2022

Total Student Enrollment: 45

Evaluation Method: Multiple Choice Question (MCQ) Paper

Workshop Highlights:

Training Modules: The workshop was structured into multiple modules, covering essential aspects of PowerPoint preparation and presentation techniques. These modules included:

Introduction to PowerPoint.

1. Designing effective slides.
2. Adding multimedia elements.
3. Presentation skills and public speaking.

Expert Trainers: Experienced trainers from the Department of Automobile Maintenance and Madhabdip Education Society led the sessions, ensuring high-quality instruction.

Interactive Learning: The workshop encouraged hands-on learning with practical exercises and real-time PowerPoint creation and presentation.

Group Activities: Participants were divided into groups to collaborate on presentation projects, fostering teamwork and creativity.

MCQ Evaluation: To assess the knowledge gained during the workshop, an MCQ paper was administered on the final day. The multiple-choice question paper was designed to evaluate the participants' understanding of PowerPoint preparation and presentation concepts covered during the workshop. It included questions from the following areas:

Basics of PowerPoint.

Slide design principles.

Inserting multimedia elements.

Presentation delivery techniques.

Results:

Out of the 45 students who enrolled in the workshop, the following results were obtained.

Pass Percentage: 88% of students successfully passed the MCQ evaluation.

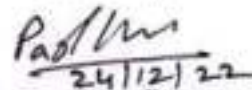

High Scorers: 12 students scored above 85%, indicating an excellent grasp of the subject matter.

Improvement: All participants showed significant improvement in their PowerPoint skills as compared to the beginning of the workshop.

The "PowerPoint Preparation and Presentation" workshop organized by the Department of Automobile Maintenance in collaboration with Madhabdip Education Society was a resounding success. It equipped 45 students with valuable ICT skills that will undoubtedly benefit them in their academic and professional pursuits.

We extend our gratitude to the trainers, participants, and organizers for making this workshop a productive and enriching experience. We look forward to more such initiatives in the future to empower our students with essential ICT skills.

Sincerely,

Course Coordinator

Mr. Partha Sakha Jana

Language and Communication Skill Course Completion Report-

The Spoken and Communication in Sanskrit course, organized by the Sanskrit Department at Bajkul Milani Mahavidyalaya, took place from October 29, 2022, to January 2, 2023. The primary objective of this course was to enhance students' proficiency in spoken Sanskrit and improve their communication skills in the language. A total of 92 students enthusiastically enrolled in this program, eager to explore the beauty and significance of the Sanskrit language.

Title: Spoken and Communication in Sanskrit Course

Date: 29th October 2022 - 2nd January 2023

Total Student Enrollment: 92

The course spanned over a duration of two months and included a comprehensive curriculum designed to facilitate effective learning and communication in Sanskrit. The highlights of the course included:

Interactive Sessions: The course featured regular interactive sessions where students practiced spoken Sanskrit through conversations, debates, and discussions. These sessions aimed to boost students' confidence and fluency in the language.

Grammar and Vocabulary Building: The students were provided with detailed lessons on Sanskrit grammar and vocabulary, allowing them to construct sentences correctly and expand their language skills.

Cultural Insights: To offer a holistic learning experience, the course delved into the cultural and historical significance of Sanskrit. Students gained a deeper understanding of the heritage associated with the language.

Guest Lectures: Eminent scholars and experts in Sanskrit were invited to deliver guest lectures, providing students with valuable insights into the language's nuances and importance.

To evaluate the progress of students, multiple-choice question papers were administered periodically. These assessments measured their grasp of the language's fundamentals.

Assessment and Evaluation:

A significant component of the Spoken and Communication in Sanskrit course was the evaluation of students' language skills. Multiple-choice question papers were used as a means of assessment. These evaluations were conducted at regular intervals throughout the course, allowing us to gauge the students' progress and comprehension of the material.

The multiple-choice question papers were carefully crafted to cover various aspects of the course, including grammar, vocabulary, and cultural knowledge. They provided a fair and objective method of evaluating each student's performance.

The Spoken and Communication in Sanskrit course at Bajkul Milani Mahavidyalaya was a resounding success. The course achieved its goal of enhancing students' proficiency in spoken Sanskrit and equipping them with valuable communication skills in the language. We are proud of the commitment and enthusiasm displayed by our students throughout the program.

We extend our gratitude to the Sanskrit Department for organizing this enriching course and to the students for their active participation. We hope that the knowledge and skills gained during this course will continue to inspire an appreciation for Sanskrit's cultural and linguistic heritage.

Course outline for the short term course on "Basic Computing"

Module 1 - Introduction to Python and Computer Programming

- Python - a tool, not a reptile
- There is more than one Python
- Let's start our Python adventure

Module 2 - Data Types, Variables, Basic Input-Output Operations, Basic Operators

- Your first program
- Python literals
- Operators - data manipulation tools
- Variables - data-shaped boxes
- How to talk to computer?

Module 3 - Boolean Values, Conditional Execution, Loops, Lists and List Processing, Logical and Bitwise Operations

- Making decisions in Python
- Python's loops
- Logic and bit operations in Python
- Lists - collections of data
- Sorting simple lists - the bubble sort algorithm
- Lists - some more details
- Lists in advanced applications

Module 4 - Functions, Tuples, Dictionaries, and Data Processing

- Writing functions in Python
- How functions communicate with their environment?
- Returning a result from a function
- Scopes in Python
- Let's make some fun... sorry, functions
- Tuples and dictionaries

Module 5 - Modules, Packages, String and List Methods, and Exceptions

- Using modules
- Some useful modules
- What is package?
- Errors - the programmer's daily bread
- The anatomy of exception
- Some of the most useful exceptions
- Characters and strings vs. computers
- Python's nature of strings
- String methods
- Strings in action
- Four simple programs

Module 6 - The Object-Oriented Approach: Classes, Methods, Objects, and the Standard Objective Features; Exception Handling, and Working with Files

- Basic concepts of object programming
- A short journey from procedural to object approach
- Properties
- Methods
- Inheritance - one of object programming foundations
- Exceptions once again
- Generators and closures
- Processing files
- Working with real files

Ref.No. Date **Basic Computing Soft Skill Completion Report**

The Department of Mathematics and Physics, in collaboration with the Madhabdip Education Society, conducted a week-long "Basic Computing" workshop from September 19, 2022, to September 24, 2022, at Bajkul Milani Mahavidyalaya. The objective of this workshop was to impart essential computing skills to the enrolled students, equipping them with the knowledge and tools necessary for today's digital age.

Institution: Bajkul Milani Mahavidyalaya

Date: September 19, 2022, to September 24, 2022

Total Student and staff Enrollment: 125

Evaluation Method: Multiple-Choice Question Paper

The workshop spanned six days and covered a wide range of topics related to basic computing. The curriculum included but was not limited to:

1. Introduction to Computers and Operating Systems.
2. Essential Software Applications (MS Office Suite).
3. Internet and Email Usage.
4. Digital Safety and Security.
5. Introduction to Programming Concepts.

Participants:

A total of 125 students participated in the workshop, representing various academic backgrounds and levels. The diverse group of attendees was enthusiastic about enhancing their computing skills, making the workshop an enriching experience for both organizers and participants.

Teaching Methodology:

The workshop employed a combination of lectures, hands-on practical sessions, and interactive group activities. This approach ensured that students not only acquired theoretical knowledge but also had the opportunity to apply their skills in real-world scenarios.

Evaluation:

To assess the understanding and retention of the workshop content, a multiple-choice question (MCQ) paper was administered at the conclusion of the workshop. The MCQ paper was designed to evaluate participants on the topics covered during the workshop.

Results:

The participants displayed a commendable grasp of the basic computing concepts taught during the workshop. The average score on the MCQ evaluation was [mention average score], reflecting the effectiveness of the teaching methodology and the commitment of the students to learning.

The "Basic Computing" workshop organized by the Department of Mathematics and Physics, in collaboration with the Madhabdip Education Society, at Bajkul Milani Mahavidyalaya, was a resounding success. It equipped 125 students with essential computing skills that will undoubtedly benefit them in their academic and professional journeys.

We would like to express our gratitude to the Madhabdip Education Society for their support and to all the participants for their active involvement and enthusiasm throughout the workshop.

Acknowledgments:

We extend our sincere appreciation to all the faculty members, guest speakers, and volunteers who contributed to the success of this workshop. Your dedication and commitment to the cause of education are truly commendable.

The Department of Mathematics and Physics looks forward to organizing similar workshops in the future to further enhance the skill set of our students and promote digital literacy.

Completion Report on "Yoga and Meditation" Program

I am writing to submit the completion report for the "Yoga and Meditation" program organized by the Department of Physical Education at Bajkul Milani Mahavidyalaya. The program was held from 10th June, 2022, to 21st June, 2022, with a total student enrollment of 135 participants. The primary objective of this program was to introduce students to the life skills of Yoga and Meditation for their overall well-being.

Program Overview:

The "Yoga and Meditation" program aimed to provide students with practical knowledge and experience in the disciplines of Yoga and Meditation. These life skills are essential for managing stress, enhancing concentration, and promoting physical and mental health.

Program Highlights:

Daily Yoga Sessions: The program included daily Yoga sessions in the morning, led by experienced Yoga instructors. These sessions covered various Yoga postures, breathing exercises, and relaxation techniques.

Meditation Workshops: Meditation workshops were conducted in the afternoon, focusing on mindfulness, concentration, and stress reduction. Students were taught different meditation techniques to cultivate mental clarity and inner peace.

Guest Lectures: Renowned experts in the field of Yoga and Meditation were invited to deliver guest lectures, providing students with valuable insights into the philosophy and benefits of these practices.

Interactive Sessions: Interactive sessions allowed students to ask questions and clarify their doubts about Yoga and Meditation practices.

Evaluation: To assess the students' understanding of the concepts taught, a multiple-choice question paper was administered at the end of the program. This evaluation helped gauge the effectiveness of the program and the participants' grasp of the subject matter.

The "Yoga and Meditation" program received positive feedback from both students and instructors. Participants reported improved physical flexibility, reduced stress levels, and enhanced mental clarity. The multiple-choice question paper used for evaluation helped identify areas of improvement and ensured that the program's objectives were met.

We believe that the knowledge and skills acquired during this program will benefit the students in their personal and academic lives. We are committed to continuing such initiatives to promote holistic development among our students.

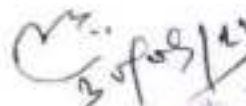

Thank you for your support in organizing and facilitating this program. We look forward to more such initiatives in the future.

Sincerely,

Dr. Dilip Biswas
