## Academic calendar prepared and adhered for conduct of Examination and other related matters-2021

- Our college, Bajkul Milani Mahavidyalaya is affiliated to Vidyasagar University, one of the state universities in West Bengal. Since, we have under the affiliation of it, we must have to obey the basic rules and features of the Academic Calendar made of and provided by the mother university. Hence, following the university academic calendar, our college prepares a separate academic calendar alongwith the Holiday List for every year. Generally, each session starts with UG and PG classes in the months of July and August according to the guidelines of Vidyasagar University.
- Accordingly we schedule tentative internal assessment dates for both UG and PG courses, tentative date regarding form fill up. Internal Assessments are conducted centrally involving concerned departments in the process. College informs students about the university notices and circulars related to examinations from time to time through students' notice board, college website and also departmental notice board and also verbally by the faculty members of the respective departments. All the departments conduct Internal Assessment of students and students are well informed regarding the Internal Examinations by the departmental Teachers.
- Within two months from the new session, class tests and pre-final examination are scheduled in the academic calendar. Two class tests/ internal examination/ assessments for UG/ PG throughout the session in every paper are arranged and conducted. Yet, extra class tests are continued till the end of the session.
- As per rule of Vidyasagar University examination pattern, Internal Assessment like class test and Mid-term test are arranged by every department of the college as per university calendar. Beside this, many departments organize Pre-Final Test for both UG and PG students at the last moment of every academic year or during study leave before Final Examination/ End Semester/ End Term Examination. Generally, Pre-final examinations are conducted in the next November-December (Sem-I, III & V) and May-June (Sem-II, IV & VI) for CBCS Curriculum based UG and PG.
